SENIOR A FINAL @ 6PM

Senior
Game
Referee:
Eddie
Leonard

A close-up, low-angle shot of a large, intense fire. The flames are bright orange and yellow, rising from a dark base. The fire is very dense and appears to be burning in a confined space, possibly a tunnel or a large container. The background is dark, making the fire stand out prominently.

EDDIE QUICK FIRE QUIZ

Who is the toughest team to referee?

Any team or fixture is always a challenge to referee. The game has to be ref'd. and no doubt tough decisions and calls have to be made in a split second.

Your proudest day?

2013 St. Pats girls won our first ever Minor "A" championship. My daughter Laura was captain and I was one of the coaches. Also 2004 St. Pats won the SFC final beating Rathnew in the final 3-6 to 1-8 our first championship win in 35 years.

Toughest or most disappointing GAA day?

Monaghan losing to Tyrone in the All Ireland quarter final in 2013. The famous Sean Kavanagh "pull down" on Conor Mc Manus. I really believed that Monaghan had a great opportunity to reach the All Ireland final that year.

Who has been the biggest influence on your career?

Aodhán Mac Suibhne Baile Ath Cliath. He was an great referee and always gave me sound advise and tips. Also Tom Byrne encouraged all refs in Wicklow to stick at it, saying you will always have better days than bad days.

What player from another sport do you admire? Luka Modrić (Croatia) , unbelievable footballer. Seems to go on and on forever. Always regretted he never signed for Arsenal.

What manger from another sport do you most admire?

The fabulous Arsen Wenger. Turned my beloved Arsenal into a super power. Completely changed the attitude of player preparation and team ethos. He was also instrumental in the development and design of building the Emirates Stadium.

What referee from another sport do you most admire?

Nigel Owens , great rugby referee and reached the pinnacle of his career despite facing many challenges.

Who is going to win the Football and Hurling All Ireland?

I think it might be Galway for "SAM" while it's hard to see "LIAM" leaving
