Signage Packages

CHAIRMAN'S Address

Wicklow GAA are delighted to present Corporate Sponsorship Packages designed to meet the needs of the business community and individuals. Wicklow GAA continues to play an important role in the lives of our youth and communities both urban and rural. We strive at all times to ensure that both our players and our teams are developed through the various age grades to the highest possible levels, and we operate in a way that is inclusive and welcoming to all.

We continue to grow as a volunteer led organization and those elected in positions of responsibility continue to work hard to ensure that we can provide the financial support that is necessary to maintain and further improve our competitiveness and lay good foundations for success in the years ahead.

Wicklow GAA have the following strategic priorities for 2025

- Provide the best possible games experience for players and spectators
- Create a supportive, inclusive and diverse environment for all players, managers, volunteers and supporters so that everyone can reach their full potential
- Establish a positive connection with our communities and grow and expand our network of support
- Invest in our facilities and county grounds to ensure our players and supporters are competitive
- Achieve long-term financial sustainability to fund the day to day running and strategic growth of Wicklow GAA
- Equip all our county facilities to operate in an environmentally sustainable way to mitigate the effects of climate change

Sports Sponsorship is an effective way to create 'Brand Awareness' and 'Customer Loyalty'. We have designed sponsorship packages aimed to give each sponsor a choice of options. We ask you to consider becoming a sponsor through one of our packages namely, gold; Silver, or Bronze. Your sponsorship is highly valued and appreciated and we thank you for your support.

Finally, we wish you success in your business and look forward to welcoming you to one of our many games and events throughout the year.
