About Garrett and his role

What does your role as a Games Development Coordinator involve day to day?

I plan and deliver coaching sessions in schools, coaching courses for clubs and post primary schools and support the Garden County Academy coaches.

How do you support clubs and coaches in your area?

I am particularly proud of the structure, supports and pathway we have created for the Academy players.

What's one initiative or programme you've helped deliver that you're particularly proud of?

Introduction to GAA day for Junior & senior infants.

What do you think are the biggest challenges in games development at local level?

Recruitment and retention of volunteer coaches.

What's your coaching or development philosophy?

Challenge and assist.

How do you measure success in your role?

Depends on the programme, sometimes through quantitative measures and other programmes through feedback and engagement from coaches and club personnel.

What do you enjoy most about working in GAA games development?

Working with people of all ages and backgrounds.

What's one piece of advice you'd give to young coaches or volunteers starting out?

Pay more attention to the atmosphere you create in your sessions. Players remember mostly how they felt during your sessions. Keep it positive and challenging.
