What's the main focus of your role as Participation Officer?

To help maintain/increase numbers within the club mainly through school visits.

How do you engage new players, schools, and communities with Gaelic Games?

By showing them the fun side of participating in GAA and the many advantages to playing GAA within Club/school.

What do you enjoy most about working with young people and new participants?

Seeing the excitement on the kids' faces when you arrive to coach in schools or club.

What's been the most rewarding project or initiative you've been involved in?

Bringing all the primary schools within my catchment area to Pearse Park for a monster blitz 3 or 4 times a year...kids love matches!!

How do you measure the impact of your work in growing participation?

When the club can field one or more teams in every age group.

What's your favourite memory or moment from your time working in GAA so far?

When you see kids you coached in primary school's years ago now playing and involved at adult level and they are still enjoying it.

What motivates you to keep promoting Gaelic Games every day?

Just something I really enjoy doing.

What do you love most about the GAA and what it brings to communities?

Getting a chance to meet different people each day you go out to coach.
